

The voice assistant

for technicians.

Efficiency is everything in the shop. That's why we've purpose-built Ortho to deliver **accurate data in seconds**, in a **hands-free, eyes-up** experience.

Hey Ortho...

Hundreds of Specs & Data Points!

What's the standard maintenance for 90k miles?

Show me the serpentine belt routing diagram.

What's the AC refrigerant type?

What's the brake rotor discard thickness?

How much fluid goes in the transmission?

Show me the mounting points.
