

*Welcome*

*Presents:*

**"Advanced GDI Systems and Diagnostics"**

**Instructor: Bill Weaver**

# What Will Be Covered:

## **"Advanced GDI Systems and Diagnostics"**

This webinar will cover single GDI and dual fuel injections systems and how to properly diagnose them. GDI injectors being installed in the combustion chamber reduces access to them for testing so, we'll cover testing techniques that prove functionality without teardown and physical inspection.

**Instructor: Bill Weaver**

**TST Big Event Tarrytown, New York March 28, 2026**
